

Correction

PHARMACOLOGY. For the article “The antimalarial drug artemisinin alkylates heme in infected mice,” by Anne Robert, Françoise Benoit-Vical, Catherine Claparols, and Bernard Meunier, which appeared in issue 38, September 20, 2005, of *Proc. Natl. Acad. Sci. USA* (**102**, 13676–13680; first published September 9, 2005; 10.1073/pnas.0500972102), the authors note that in Fig. 1, the OH group at position 2 of the glucuronide is missing in compounds **4** and **5**. The corrected figure and its legend appear below. This correction does not affect the conclusions of the article.

Fig. 1. Alkylation of heme by artemisinin within *P. vinckei*-infected mice.
